

Xinyu Chen / visual designer

xinyu90575@gmail.com

PERSONAL INTRODUCTION

Xinyu Chen is a visual designer currently pursuing a Master's in Integrated Design at the University of the Arts Bremen (HfK Bremen). With a background in Visual Communication Design, her practice explores the intersection of graphic design, social observation, and emotional experience. Through experimental use of materials, images, and video, she examines how contemporary media and everyday life reflect broader social and cultural conditions.
